

Greenstedts International School – Nakuru – Kenya

Vacancy for January, 2019

Greenstedts is a co-educational boarding and day school (IAPS and CIS) following the National Curriculum of England & Wales from Early Years to IGCSE, and A level.

We welcome applicants for the following position falling vacant in September, to join our dynamic and supportive teaching staff:

Mathematics Teacher (up to A-Level)

Greenstedts School is situated 140 km north of Nairobi, in the heart of Kenya's Rift Valley and within ten minutes' drive of Lake Nakuru National Park. The School is set in a rural secluded, 50-acre site and is one of the leading International boarding schools in Kenya serving internationally minded parents all over the world.

Greenstedts has a strong academic record yet places equal emphasis upon commitment to the wide ranging extra-curricular programme. Our Sport department complements and supplements our academic programme and teachers are expected to contribute in one or more of these areas

Our aim is to provide an enjoyable and challenging learning experience where students are able to acquire all the skills and knowledge necessary for them to become future leaders of good character, ready to make a difference in a global society.

Job & Person Specification: Teacher of Maths

The opportunity has arisen to appoint an outstanding and inspirational practitioner who has the drive and ability to inspire our students to their best. Mathematics is a popular option choice at A Level. The department has an impressive track record of results and the successful candidate will continue to build upon this success. The successful candidate will be able to teach mathematics across the whole Senior School (Year 7-13), including IGCSE and A Level. The ability to offer Further Maths would be highly advantageous.

The department consists of 3 full time specialist teachers working in well-resourced maths classrooms, including SMART Boards.

We are a non-selective school with a relatively wide ability range. Being able to inspire pupils of all abilities is essential.

The willingness to take a full and active part in all aspects of a thriving and progressive school is vital, including the ability to coach team sports and/or take an active part in the wider co-curricular programme.

The post holder will be accountable to the Head of Maths.

Applicants should have:

- At least a Bachelor's Degree in Mathematics (BSc./B.Ed. Mathematics) or related field and a teaching qualification.
- Experience in teaching further Maths in the National Curriculum of England and Wales.
- Have or apply for a ICPC or Good Conduct Certificate
- Willingness to contribute fully to the boarding and extracurricular life of a busy, full boarding school.

Greensteds offers a competitive salary, reflective of the level of responsibility and the experience of the successful candidate, with generous allowances for any additional responsibilities candidates may be asked to take on. In normal circumstances, teachers are offered in-patient and Out-Patient medical insurance and school fees reduction for their children. Onsite accommodation may also be available.

Applicants should e-mail a CV with a covering letter addressed to the Headmaster stating their teaching specialism and contact details of at least 2 referees (one being your current/most recent employer) to recruitment@greenstedsschool.com

Applications are welcome as soon as possible.

Closing date 9th October, 2018

Interviews will take place on rolling basis

Due to the volume of applicants, only shortlisted candidates will be contacted

Greensteds International School is committed to safeguarding and promoting the welfare of children and young people and expects all employees and volunteers to share that commitment. Employment is subject to suitable background checks, including the receipt of satisfactory references, one of which must be from the most recent employer.
